

It's the end of week 2 and what a week it was! Some highlights from this week include a super fun wiffle ball game between counselor Mike and counselor Brandon's groups, some music therapy with counselor Christina's little campers and hikes around the lake with counselors Robin & Amanda! Last Friday, the camp was filled with red, white and blue clothes, hats, and even faces! As we close out this week with Water Day, take a peek at our week in rewind!

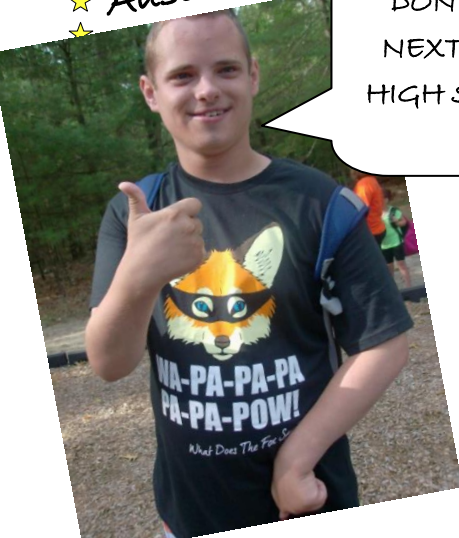

Elijah and Ryan plant some tomato plants!

Everyone's buddy Jeff shooting some hoops!
